# ROCKINGHAM REDI-MIX BATCH PLANT

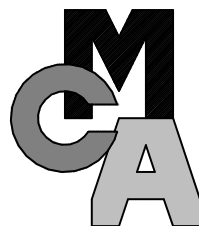

## Harrisonburg, Virginia

---

**Owner:** Conmat Group Inc.  
**Contact:** Mr. Roy D. Simmons  
**Builder:** Rhodenizer Commercial Construction LLC

This 57 foot tall structure provides a complimentary backdrop to the existing concrete manufacturing facilities, while accommodating the need for an interior environment to keep concrete batch operations running uninhibited from the weather. Although removing the "industrial look" of a concrete batch plant may seem challenging, we were able to achieve an aesthetically pleasing solution by using decorative wall panels and a sloped roof.
