
THE HIGHLAND CENTER

Monterey, Virginia

Owner: The Highland Center
Contact: Betty Mitchell
Builder: Lantz Construction Co.

Built in 1922 as the public school for Highland County, the building had fallen into severe disrepair. In 1998, it was purchased by the Highland Center to become a community facility and catalyst for economic growth. The unique native stone and monumental windows have been restored while the interior provides pristine space for local drama groups, banquets, training events, and office space.
