
WOODSTOCK PRESBYTERIAN CHURCH

Woodstock, Virginia

Contact: Ray Powell

Builder: Harman Construction Co.

Located in the heart of Woodstock, this project involved joining two wings of a historic church with a 6,000 square foot Social Hall addition. With the newly added commercial kitchen, this multi-purpose facility will now accommodate banquets for over 150 people. Accessible restrooms and a wheelchair lift were also added. Special attention was given to the historic nature of the existing facility by incorporating decorative moldings and lighting throughout.
