Owner: Ariake U.S.A., Inc.
Contact: Mr. Jamie R. Eanes
Builder: Howard Shockey & Sons, Inc.

A 70,000 sq. ft. plant addition more than doubled the existing 51,000 sq. ft. plant, providing needed warehouse & processing space for this Japanese owned soup stock & seasoning plant. Precast hollow-core concrete floor & roof planks were used in areas where the food processing environment is very corrosive. Tilt-up concrete wall panels were used to provide a durable exterior envelope.
